## How we are different...

Pioneer Adhesive Products has been in business for over 20 years. We specialize in formulating adhesives that are perfect for each customer.

Whether your needs are for a fast -setting or slower-setting adhesive, we have the glue for you.

Since we supply many craftsmen with our vast selection of products, we are able to adjust our formulas to meet the needs of your individual job.

Pioneer will be more than happy to test different glues to meet or exceed the current adhesive you are using or recommend tried and true products our other customers have found to be superior for the same type of application.

Allow us to evaluate your job today. Call us for the most experienced, affordable service.

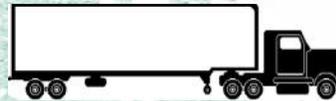

### 3 Convenient Locations

In addition to our main facility in Western New York, we also ship from Cleveland, OH and Memphis, TN.

Having 3 locations allows us to help reduce the cost for shipping and better protect from freezing during the winter months.

Pioneer is able to provide very reasonable shipping rates, or you can choose your own carrier. Another way we are committed to saving our customers money.

### 3 Convenient Sizes

Our wood glues are available in 3 sizes. Choose from totes, drums or pails.

275-gal.  
Caged Tote

55-gal. Drums  
Steel or Fiber

5-gal. Pail

### Superior Customer Service

Pioneer is committed to providing the utmost in customer service.

We understand how important adhesives can be to the production of your company. We strive to ensure quality in our products and to provide you with the best customer service available.

Pioneer Adhesive has always made every effort to guarantee our customers will remain as loyal to us as we are to them.

Customer satisfaction is our promise to you.
